

### **PRESIDENT'S UPDATE – April 2017**

Yes, although it's May, this is the April President's Update. It was delayed so we could include all the information after the Spring Convention. May will be out later in the month.

The Spring Convention 2017 is now in the history books. Other than the balcony issues at Brighton Towers, it was a great weekend. The weather couldn't have been better, and it was so good to see all of you who were there. The costumes for the "Out of Africa/African Safari" theme were awesome and very creative!! The DJ Friday and Saturday night parties could have gone on until about 3 AM and everyone would still have been dancing. First Convention in a long time where I remember us running out of beer on Saturday night.

Thank you for electing me as Crescent's President for another year. As I mentioned throughout the weekend, we want to be more proactive and supportive of our Member Clubs. I will be putting together at least two online meetings/conference calls between now and the Fall Conference. I'll send out invitations to the Club Presidents and Reps and if you'd like it to be sent to additional members of your Club, please send me their contact info. We'll be sending out a survey via Survey Monkey very soon to get input and ideas from the Clubs. Crescent is YOUR Council and we all want to work together to continue to make it the BEST Council in the country!!

Clubs ask what Crescent can do for them, what benefits do they get from being a Club Member of the Council. In addition to having great trips, one of the best racing programs in the country, there are a lot of discounts and benefits available to all of you. We also are **always** available to help!! Please send me any questions, ideas, and suggestions.

## **RACING (Ron Scott)**

I would like to thank all the racers that participated in the 2016-2017 Crescent Race Season, and all the Crescent Race Workers who facilitated the organization of the race season. We are the racing program that other ski councils racing programs want to be.

Please shop and purchase products from the many companies that support Crescent Racing. Crescent Racing sponsors are displayed on the Crescent Racing web page.

The Crescent Race schedule for the 2017/2018 race season has not been finalized as far as locations. The reason for the delay in finalizing the locations is that more racers are being held and there is a limited number of resorts to host the races. Ron Scott notifies the resorts one year in advance of our race schedule so the delay is not with Crescent Racing, it is the resorts massaging their schedules to accommodate the number of races planned.

If you want to bring youth into your club membership, Crescent Racing is one of the avenues to pursue. The Values and Goals of Crescent Racing are listed below:

### **VALUES**

Integrity - Action based on the values rather than personal gain.

Passion - Motivation for doing what we love.

Fun - A fresh, positive, creative culture.

Team - individual humility and collective pride.

Community - Exceptional stewardship and lifetime inclusiveness.

Excellence - Personal and collective wins every day.

Grit - courage, tenacity and perseverance on the path to excellence.

## **GOALS**
